The Sacred Oath

Knowledge before power. Balance before victory. Truth before ambition. The Heart before ourselves. Until the last light fades... we remain.

01 ———

THE SACRED OATH

Knowledge before power.

The Citadel of Eternis

The oldest fortress of knowledge in Valekor. Hidden beyond mountains, it preserves the records, relics and secrets that kings would destroy.

02 ———

THE CITADEL OF ETERNIS

The oldest fortress of
knowledge.

The Five Ranks

From Apprentice to Guardian, High Keeper, Elder Keeper and Grand Keeper, every member of the Order rises through duty, discipline and sacrifice.

The Eternal Archives

Every kingdom, war, relic, champion and forgotten truth is recorded. Nothing is erased. Nothing is forgotten.

04 ———

THE ETERNAL ARCHIVES

Where all knowledge
is preserved.

Guardians of the Fragments

When the Heart of Eternis shattered, the Order sent guardians to protect the remaining fragments from kings, clans and corruption.

05 ———

GUARDIANS OF THE FRAGMENTS

They protect what keeps
Eternis alive.

The Forbidden Archive

Some knowledge must remain sealed. Behind the deepest doors rest cursed relics, forbidden rituals and maps to places removed from history.

06 ———

THE FORBIDDEN ARCHIVE

Some knowledge must remain sealed.

The Grand Keeper

The Grand Keeper is the highest authority of the Order. His true name is unknown outside the Citadel, and even kings speak only to the office.

07 —

THE GRAND KEEPER

The last of the First
Keepers.

The Keeper Symbol

The symbol represents balance, knowledge, hope and the seven original founders. Every Keeper wears it over the heart.

08 —

THE KEEPER SYMBOL

A mark of duty, wisdom,
and eternity.

The Keeper's Future

In Arena Z Reborn, the Keepers will guide hidden quests, reveal ancient lore, protect relics and challenge champions to preserve balance.
