# The Cities of Valekor

Official Developer Library - Document 015

Definitive Edition

---

# Aurelis

Aurelis is the Golden Capital, heart of Valekor and seat of the High Council. A city of light, order and prosperity.

---

# Frosthaven

Frosthaven is the city of ice, built in eternal winter.  
Its people are strong as the ice they live in.

---

# Tidewatch

Tidewatch is the harbor of the seas, gateway to oceans and trade routes where sailors, merchants and adventurers unite.

---

# Elarwyn

Elarwyn is hidden among ancient trees, guarding nature, timeless wisdom and the secrets of the old forests.

---

# Stoneforge

Stoneforge is a mountain citadel forged in stone and protected by giants, home to unmatched warriors and craftsmen.

---

# Ashfall

Ashfall was built around fire and forged in chaos. Only the fearless answer its call.

---

# Noctis

Noctis is the shadow city, where moonlight fades and secrets thrive. A city of mystery and silent power.
