# Legendary Weapons

Official Developer Library - Document 017

Definitive Edition

---

# Forged in Destiny

In Valekor, a weapon is more than steel. It is purpose, legacy and destiny, often bound to the soul of its bearer.

---

# Artifacts of Power

Legendary weapons were crafted in lost ages and tied to heroes, kingdoms and ancient wars. They can shape the future of Valekor.

---

# Aurelis Blade

The Aurelis Blade is the Sword of the Sun, forged with solar light to bring justice and hope to the battlefield.

---

# Frostbite

Frostbite was born from the heart of glaciers. It freezes all that defies it.

---

# Tidecaller

Tidecaller is the Trident of the Deep. It commands oceans and calls the tides with unstoppable force.

---

# Elarwyn Bow

The forests speak through the Elarwyn Bow. It strikes without being seen.

---

# Stoneforge Hammer

The Stoneforge Hammer was forged in the depths of the earth. It can shatter any defense.

---

# Ashfall Spear

The Ashfall Spear cleanses the impure with eternal fire.  
Only the strong survive its flame.

---

# Noctis Dagger

The Noctis Dagger moves in silence, strikes in darkness and leaves nothing behind.
