

The Kingdom of Ironcrest

Document 038 | Collection IV

Where the First Builder King forged a lasting legacy.

The Valley of Iron

Historical Event: The future Builder King discovers the mountain valley that will become Ironcrest.

Location: The Iron Valley

Main Characters: Builder King Aldren, royal scouts and settlers

Major Consequence: Ironcrest is founded in the richest iron region of Valekor.

Legacy: This becomes the official birth of Ironcrest.

The Great Forge

Historical Event: The largest forge complex of the new kingdoms is ignited.

Location: The Ember Foundry

Main Characters: Master smiths, engineers and royal craftsmen

Major Consequence: Ironcrest gains unmatched industrial power.

Legacy: The forge becomes the heart of the kingdom.

Crown of the Builder King

Historical Event:	Aldren is crowned as the first Builder King.
Location:	Hall of the Iron Crown
Main Characters:	King Aldren, guild leaders and citizens
Major Consequence:	Ironcrest adopts leadership based on construction and service.
Legacy:	The Builder King becomes an ideal for future rulers.

The Iron Walls

Historical Event: Massive walls and towers are raised around the capital.

Location: Ironcrest Capital

Main Characters: Royal engineers, stone guilds and architects

Major Consequence: Ironcrest becomes the strongest fortified kingdom of the age.

Legacy: The walls symbolize engineering and royal power.

Bridges of Unity

Historical Event: Monumental bridges connect mountain settlements and neighboring kingdoms.

Location: The Twin Ravines

Main Characters: Bridge masters, caravan guilds and frontier communities

Major Consequence: Trade and travel expand across the region.

Legacy: Ironcrest becomes the central link between kingdoms.

The Royal Academy

Historical Event: The kingdom establishes an academy for engineers, architects and strategists.

Location: Academy of Crown and Hammer

Main Characters: Scholars, apprentices and tacticians

Major Consequence: Knowledge is organized and passed to future generations.

Legacy: The academy drives Ironcrest's golden age.

Beneath Iron Mountain

Historical Event: An expedition discovers a sealed ancient doorway beneath the mines.

Location: The Lower Vaults

Main Characters: Royal explorers, miners and arcane historians

Major Consequence: Ironcrest learns the mountain is far older than the kingdom.

Legacy: The discovery opens a new mystery.

The Sleeping Threat

- Historical Event:** A colossal armored figure awakens in a forgotten underground hall.
- Location:** The Black Chamber
- Main Characters:** The Iron Warden and expedition survivors
- Major Consequence:** Ironcrest's prosperity is placed under immediate threat.
- Legacy:** The awakening leads to Secrets Beneath Ironcrest.
